

LEAP REBATES AND INCENTIVES

Retrofit Ramp Up Grant Communities: Source of LEAP's Home Performance Incentive Dollars

Available LEAP Rebates and Incentives for Home Performance with Energy Star Certification*

- A \$250 rebate will be available for Home Performance Assessments (energy audits) which are performed in LEAP's Home Performance with Energy Star program.
- 50% of the retrofit cost up to \$1000 will be available as a cash incentive for homeowners who participate in LEAP's Home Performance with Energy Star program.
- Can be combined with Energy Star's federal tax credit (up to \$1500) and the VA Appliance Rebate (up to \$300) to reduce the cost for the retrofit by up to \$3000*

* Rebates and incentives will be available to property owners living in the City of Charlottesville and Counties of Albemarle, Greene, Nelson, Louisa, and Fluvanna, i.e., LEAP's service territory of the Thomas Jefferson Planning District.

** Assumes air and duct sealing, adding insulation, and upgrading heat pump or furnace.
